Introduction

The AAC Platform is an online wealth management service provided by P1 Investment Services Limited ('P1'), and is available through Advanced Asset Consultants Limited (AAC).

If you have appointed an Adviser Firm

A Platform allows AAC and, where applicable, your Discretionary Fund Manager ('DFM') (i.e. a firm appointed to provide discretionary investment management services in relation to your Platform Account) to invest your money across a range of Assets and Investment Accounts (such as an ISA, a pension or a General Investment Account). This is all brought together in one place to make viewing your financial position and executing transactions easier. The DFM may be AAC if they are also appointed to provide discretionary management portfolio services in relation to your Platform Account as well as acting as AAC, or it may be a third party DFM appointed by you (or by AAC acting as your agent) on the recommendation of AAC. AAC and, where applicable, your DFM will manage this Platform Account online on your behalf, but you have access, so you can view all of your investments in one place. Depending on the arrangement you have with AAC, they may also permit you additional access so you can to self-manage some, or all of your investments outside of any portfolios.

AAC, and where applicable, your DFM have entered into a separate agreement which governs their access and use of the Platform on your behalf.

AAC is responsible for all the advice and financial planning services that you request and the DFM, where appointed, will manage the investments. P1 has no responsibility to review your Platform Account and does not provide advice about the suitability of any Investment Account, the investments you hold within it, or loans secured against Assets.

By accepting these Platform Terms & Conditions, you agree that you will enter into a separate agreement between you and AAC and/or your DFM, to give AAC and/or your DFM all necessary authorisations and consents for them to act on your behalf in relation to the Platform in accordance with and subject to these Platform Terms & Conditions.

More specifically, you will authorise AAC to:

- (a) give instructions to P1 via the Platform on your behalf;
- (b) receive from P1 information, reports and notices which AAC will pass on to you as appropriate and applicable; and
- (c) instruct P1, including in respect of the transfer of Cash or Assets, to meet your settlement or other obligations and/or to transfer your Cash and Assets to another custodian of your choice.

AAC remains responsible for compliance and regulatory requirements regarding its own operations and the supervision of your Platform Account. In particular, AAC remains responsible for approving the opening of Platform Accounts, money laundering/identity checks, compliance, accepting and executing transactions (unless a separate DFM is appointed), assessing the suitability of investments when it has a duty to do so, providing any investment advice and for managing our ongoing relationship with you. Any concerns about the suitability of your Platform Account or any Investment Account should be addressed to AAC in the first instance.

If you have not appointed an Adviser Firm

If you have not appointed an Adviser Firm, you can still use the Platform in one (or both) of the following ways:

- (a) by directly appointing P1 as your DFM to provide discretionary investment management services to you, by managing a Discretionary Model Portfolio(s) and/or a Bespoke Portfolio on your behalf; and/or
- (b) by using the Platform on an "execution-only" basis ie where you instruct the Platform to buy and sell Assets (outside of a Portfolio) (see below and Section E), where you have received no advice on the merits or suitability of the transaction that you are undertaking via the Platform, and the rules requiring an assessment of the appropriateness of the transaction for you do not apply.

You appoint P1 as DFM – Discretionary Model Portfolios (only available to select individuals or entities)

If you appoint P1 as DFM (but you have not appointed an Adviser Firm which has recommended P1) to manage your Assets within a Discretionary Model Portfolio(s) on your behalf, then P1 will not provide any advice to you about the suitability of any Investment Account or the investments you hold within it.

It will be your responsibility to ensure that the Discretionary Model Portfolio(s) that you choose to invest in are suitable for you. P1 will also not provide you with any wider financial planning or taxation advice. These Platform Terms & Conditions will be the only agreement that you enter into with P1.

P1's sole duty in this scenario is to manage your Assets within any Discretionary Model Portfolio in accordance with the objectives, which are described on each of the Model Portfolio Factsheets.

P1, as your DFM, will also manage your Platform Account online on your behalf, but you will have access, so you can view all of your investments in one place.

You appoint P1 as DFM – Bespoke Portfolios (only available to select individuals or entities)

If you appoint P1 as DFM (but you have not appointed an Adviser Firm which has recommended P1) to manage your Assets within a Bespoke Portfolio on your behalf, then P1 will provide advice to you about the suitability of the Mandate of the Bespoke Portfolio for you, taking into account your risk tolerance and investment objectives. P1 will also then have a duty to manage your Assets within the Bespoke Portfolio in accordance with the agreed Mandate for that Bespoke Portfolio.

Unless otherwise agreed in writing, however, P1 will not, however, provide you with any wider financial planning or taxation advice. These Platform Terms & Conditions will be the only agreement that you enter into with P1.

P1, as your DFM, will also manage your Platform Account online on your behalf, but you have access, so you can view all of your investments in one place.

Using the Platform on an execution-only basis (only available to select individuals or entities)

If you choose to use the Platform on an execution-only basis to purchase Assets outside of a Model Portfolio(s) or Bespoke Portfolio, you will receive no advice or discretionary investment management services from any Advice Firm and/or DFM (including P1) in relation to any accounts operated on that basis.

You will instruct the Platform to buy and sell investments in one or more Investment Accounts without receiving any advice or recommendations from an Adviser Firm, nor discretionary investment management services from a DFM. In addition, neither an Adviser Firm, nor DFM will be responsible, under FCA Rules, for assessing the appropriateness of any such transaction for you.

These Platform Terms & Conditions will be the only agreement that you enter into with P1.

Appointing a Custodian

In all of the above cases, you will also need to appoint a Custodian to ensure the safe custody of the cash and assets in your Investment Account. By entering into this agreement you permit us, as your agent, to appoint Seccl Custody Limited on your behalf to provide the Platform technology and Seccl also undertakes the execution and Settlement of investment trades for you. In respect of Investment Accounts, we have also arranged for Seccl as Custodian to hold your Cash and Assets safely, subject to the terms set out in Schedule 1 (Custody Terms). Seccl is authorised and regulated by the FCA with firm registration number 793200.

Portfolio Loan Agreements

You may choose to enter into a Loan Agreement with a Lender under which you take out a Loan that is secured on the GIA and ISA parts of your Investment Account – see Clause 18 for more details. If you choose to do that, you should note that it will have an impact on these Platform Terms & Conditions, and in particular may severely restrict your ability to make withdrawals from your GIA and ISA until you have fully repaid any such Loan that you take out.

Important Information

The Platform Terms & Conditions provide you with a summary of important information you need to know before you use the P1 Platform for your investments on any of the bases specified above.

Please read these Platform Terms & Conditions carefully as they contain important information which you should consider before investing and managing your money on our Platform and provide the framework under which our relationship with you (and AAC and/or DFM where applicable) will operate.

If this happens, we will contact you via email to explain this and any new Sections of these Platform Terms & Conditions that may apply.

If you continue to use the Platform following a change in circumstances (such as terminating your relationship with AAC and not appointing a replacement) then you will be deemed to accept the relevant sections of the Terms & Conditions that apply to your new circumstances, as described above. If you have any queries following your change in circumstances about the Terms & Conditions that may apply to you, you should contact your Client Services team for more information.

Please note that these Platform Terms & Conditions (excluding Schedule 1) will form the basis of a legally binding agreement between you and us, together with the documents/information listed below, and upon which we intend to rely. By entering into these Platform Terms & Conditions you also authorise us acting as your agent, on your behalf to enter into the Custody Terms at Schedule 1 (or such other terms as P1 may notify to you from time to time) between you and the Custodian, and operate your account with the Custodian on your behalf. For Joint Cash Accounts and Joint Investment Accounts each joint account holder is responsible for all transactions carried out on the Platform Account; and any one joint account holder is able to request that the full balance of the cash and assets are withdrawn from the Platform Account. The ISA, and the P1 Pension Account have other eligibility requirements and you should refer to Sections B, C and D respectively if you are applying for these accounts.

Criteria for Non-Individuals

- 4.6. You can apply to open a non-individual Platform Account if you are:

- 4.7. Non-individual Platform Accounts may be limited as to the type of Assets and/or Investment Accounts that they can hold. Generally, a non-individual will only be able to open a GIA Investment Account. We will advise you of any such limitations when the Platform Account is opened.
- 4.8. It is your responsibility to ensure that, under Applicable Law and the constitution of the corporate entity or trust, you have the necessary authority to instruct us to open a Platform Account and make investments in Assets. It is not our responsibility to check that any Platform Account, Cash Account or Investment Account(s) are suitable or appropriate for the corporate entity or trust.
- 4.9. In accordance with Applicable Law we will also need to identify the legal owners of the Platform Account (eg the directors of a corporate entity or the trustees of a trust) and we may also request evidence that the Person instructing us on behalf of the corporate entity or trust has authority to do so, before we open a Platform Account.
- 4.10. For each Non-Individual Platform Account, we will ask you, when opening the Platform Account, to nominate the Person from whom we may accept instructions. It is important that we are told of any changes to that Person or to other relevant information relating to the Platform Account.

In using the Platform, you consent to electronic verification. Further details can be found on our website (<https://p1-im.co.uk/regulatory-information/>). AAC (where applicable) will have to perform its own verification process on your identity and address and where AAC has entered into a the separate agreement with us, it agrees to provide us with any further evidence of your identity that we may require in order to comply with our responsibilities under UK anti-money laundering legislation.

If you end your relationship with AAC and/or appoint another Adviser Firm you must notify us immediately. For further information on the impact of this for you and your Platform Account, please refer to clause 28 of this Section A, and Sections D and E (where applicable).

- 5.9. You will keep your Platform Account up-to-date with any changes to your personal details, for example a change of address. AAC (where applicable) may do this for you (see section 5.10 below). If you have not appointed an Adviser Firm, then you will be responsible for doing this, in addition to providing us with any instructions in relation to your Platform Account, Cash Account and Investment Account(s).

AAC's Responsibilities (if you have appointed an Adviser Firm)

- 5.10. AAC acts on your behalf in relation to your Platform Account and acts as the main point of contact between you and us. This means AAC has authority to provide information and instructions to us on your behalf, including changes in your personal details, for example a change of address.
- 5.11. AAC is responsible for providing you with financial advice and ensuring your Platform Account, your Cash Account and any Investment Accounts on the Platform, and your Assets are suitable for you taking into account your personal and financial circumstances, and objectives.
- 5.12. AAC will also administer and manage your Platform Account in line with your agreement with them. This may, for instance, include the trading of Assets and/or the appointment of a Discretionary Fund Manager to conduct certain activities in relation to your Platform Account. Sections 7 –17 (trading and other transactions via the Platform) and Section 19 (DFMs) provide further details.

6. Cash payments

- 6.1. All Cash payments must be made in sterling to your Cash Account.
- 6.2. Lump sum and regular contributions must be paid into your Cash Account or Investment Account electronically.
- 6.3. If a Direct Debit is rejected by your Custodian's Bank, we will remove the payment amount from your Cash Account or Investment Account, as applicable. We will not be liable to you for any loss you may suffer arising from this.
- 6.4. You can make a payment into your Cash Account or Investment Account electronically by BACS, CHAPS, Direct Debits and standing orders. All payments must be made from a UK bank account in your name (either your personal or joint bank account), or AAC's client account (where applicable, and where AAC is authorised by the FCA to hold client money).
- 6.5. Payments should also quote your Client reference number and the Cash Account or Investment Account to which you wish the payment to be applied. If we are unable to identify the Cash Account or Investment Account a payment should be paid into, the payment will be returned to the originator within 10 Business Days. No interest will be paid on the payments returned. We will not be liable to you for any loss you may suffer arising from this.

7. Transfers between Platform Accounts, Cash Account and Investment Accounts

- 7.1. You authorise us to accept Cash transfer requests from AAC (where applicable). This includes:
- 7.1.1. transfers between your Cash Account and/or Investment Accounts within your Platform Account, and
- 7.1.2. transfers from your Platform Account to another Platform Account belonging to another individual, for example, a member of a Family Group.
- 7.2. When providing instructions to us under clause 7.1, AAC must obtain your authorisation to conduct transfers from your Cash Account or Investment Account and for ensuring the suitability of any transfer for you and that any transfer is in accordance with the Applicable Law. We do not accept any liability for any tax or other Charges that apply to or arise as a result of any transfer made.

8. In-Specie Asset transfers/Re-registration

- 8.1. You may be able to transfer-in existing assets held in your name or from another provider, into your Investment Account, where the terms of the Investment Accounts you have with us permit this. (In-Specie or re-registration).
- 8.2. In-specie transfers or re-registering assets depends upon us offering exactly the same assets and share classes in the Investment Accounts to which you want to re-register them as those which you currently hold. We are not obliged to offer the same assets or share classes to you on our Platform.
- 8.3. We will not charge you for In-specie transfers or re-registering assets, where this is possible.
- 8.4. If you choose to transfer existing assets into your Investment Account from other parties, we will rely on those third parties providing adequate and accurate information regarding your assets. We cannot be held liable for any loss or damage suffered by you that are incurred due to inaccuracies, delays or failures by these third parties in providing us with information or the assets themselves.

9. Ownership and Custody of Cash on the Platform

- 9.1. Cash will be held in your Cash Account or your Custodian's Client Account in accordance with the FCA client money rules. Cash held in such accounts will be segregated from P1's and the Custodian's own monies.
- 9.2. The Cash and Assets held within your Investment Account will be registered in the same name (ie the Custodian's name) as our other Clients who are also clients of the Custodian. Accordingly, your Cash and Assets will not necessarily be immediately identifiable by way of separate certificates physical documents or equivalent electronic entries on the register but it is our responsibility, along with the Custodian to ensure that adequate records are maintained to identify assets belonging to each of our Clients.
- 9.3. Client Accounts operated by your Custodian are held under trust with a carefully selected deposit taker (e.g. a bank or building society). This deposit taker is covered by the FSCS. If the deposit taker is unable to meet its obligations in relation to the monies held in those Client Accounts, any shortfall may be covered up to the applicable FSCS limit for the authorised deposit taker. For further information on FSCS please refer to Section 34 of these Platform Terms & Conditions.
- 9.4. Cash belonging to Clients is always held separately from our accounts and from those of your Custodian. As such, should we be wound up, your Cash will remain yours (either personally or within your Pension Account as applicable) and any administrator should be obliged to return that Cash to you as part of the wind down process.

10. Interest on Cash

- 10.1. All Cash held in your Platform Account will be placed with a number of deposit takers, in interest bearing accounts. You may therefore receive interest on any Cash Assets held in your Platform Account at the prevailing rate from time to time offered by such deposit takers. Please refer to the Custody Terms for further details.

11. Cash Balance

- 11.1. You must hold a Minimum Cash Balance in each Investment Account. You may hold the Minimum Cash Balance required for either your ISA, or your Pension Account either:
- 11.1.1. within your respective ISA, or Pension Account; or
- 11.1.2. within your GIA Investment Account (in addition to the Minimum Cash Balance for your GIA).

- 11.2. If your Available Cash Balance is below the amount required to meet any fees and charges, you may ask us to transfer money from your Cash Account, or we will sell part of your Assets held within the relevant Investment Account, in accordance with Clause 11.1 to restore the Available Cash Balance.
- 11.3. We will not accept any liability where a sale under 11.2 above is made at a disadvantageous time, has a material effect on the balance of Assets within a Portfolio, or if you incur any tax liability.
- 11.4. Where we are required to sell Assets to restore your Available Cash Balance, we will:
 - 11.4.1. sell enough Assets to restore the Available Cash Balance. If there are restrictions imposed on the number of shares/units which may be sold at one time, then the number of shares/units sold may be significantly higher than is required to restore the Available Cash Balance;
 - 11.4.2. sell sufficient Assets from the largest available daily traded Asset holding downwards (this may include Assets which have been restricted. Where insufficient daily traded Assets are held, we will sell from the largest remaining available Asset holding downwards);
 - 11.4.3. sell the entire holding if, under the terms stated above, we would be required to sell more than 95% of a holding;
 - 11.4.4. only sell holdings in whole shares/units and will round up to the nearest share/unit; and
 - 11.4.5. sell Assets from the GIA where Charges for an ISA are applied to a GIA (If there are insufficient Assets to sell within the GIA we will sell Assets from the relevant ISA, to restore the Available Cash Balance within the ISA).

12. Ownership and Custody of Assets on the Platform

- 12.1. By agreeing to these Platform Terms & Conditions and the Custody Terms, you authorise us, acting as your agent, to direct and instruct the Custodian on your behalf, including but not limited to:
 - 12.1.1. arranging for the Custodian to have custody of your Assets;
 - 12.1.2. instructing the Custodian to buy, sell or transfer Assets held in your Platform Account, and in respect of any Corporate Actions arising in respect of the Assets held in your Platform Account;
 - 12.1.3. providing information about your Assets and Platform Account to the Custodian. Where the Custodian agrees to provide information to you under the Custody Terms (eg valuations and contract notes concerning transactions undertaken on your Platform Account), we may also instruct the Custodian to provide that information to us as your agent; and
 - 12.1.4. providing instructions to the Custodian to sell Assets or use Cash to pay fees or charges due to us, the Custodian or any other third party to whom you have agreed to pay such fees and charges.
- 12.2. The Custodian will arrange to keep your Assets separate from our own assets and from those assets belonging to the Custodian with whom you place the assets (in accordance with the Custody Terms). As such, should P1 be wound up, any administrator should be obliged to return your Assets to you or your Pension Account, if applicable, as part of the wind down process.
- 12.3. Your Assets will be registered in the name of the Nominee, who will be the legal owner, but will be beneficially owned by you or the trustees of your Pension Account on your behalf, if applicable, at all times. This means that the Assets will continue to belong to you if the Custodian becomes insolvent.
- 12.4. The Nominee is not an authorised person under the Applicable Law and exists only to hold Assets and does not carry out any other business in its own right.
- 12.5. Any documents relating to the custody of Assets evidencing title (or the equivalent electronic record) will not be lent to third parties or used as security for borrowing.
- 12.6. The Custodian accepts responsibility and liability for the acts and omissions of the Nominee and therefore P1 will not be liable for any loss to your Assets where that loss arises out of the Nominee's fraud, wilful default, negligence or breach of its regulatory obligations.
- 12.7. From time to time we may decide to change the Custodian providing the services set out at Schedule 1 to these Terms & Conditions. By agreeing to these Terms & Conditions you authorise us as your agent to appoint a new Custodian at any time and to agree to any such Custodian's Custody Terms on your behalf. We will use reasonable skill and care in choosing and appointing any such Custodian and will only appoint a Custodian who holds the appropriate regulatory permissions from the FCA (or any other relevant regulator) to act as your Custodian.

13. Buying and Selling Assets via the Platform

- 13.1. We offer a variety of Assets for you to invest in that may vary from time to time including:
 - 13.1.1. Funds;
 - 13.1.2. Exchange-Traded Assets.
- 13.2. Not all of the Assets available on our Platform are always available on all Investment Accounts.
- 13.3. There are risks associated with investing which depend on the Assets in which you choose to invest. For more detailed information please refer to the P1 Key Features document as well as the relevant documentation for your chosen Assets, such as a Key Investor Information Document. If you appoint an Adviser Firm, it is responsible for ensuring that any Assets that you choose to invest in are suitable for you, that you are eligible to invest in that Asset and if there is anything that you do not understand or agree with, you should discuss this with AAC before investing. The fact that an Asset is available does not imply that the Asset is suitable to your needs.
- 13.4. We may add or remove the Assets available to you through our Platform at our sole discretion.

14. Instructing us to buy or sell Assets

- 14.1. Order instructions to buy or sell Assets must be provided online via the Platform. Telephone and written instructions will only be accepted at our discretion and on a recorded line and usually where the order cannot be undertaken online. Please see our Order Execution Policy for more information.
- 14.2. Orders placed through the Platform may be sent automatically to an execution venue without being considered by any member of our staff.
- 14.3. Where you have appointed an Adviser Firm and/or DFM, and they ask us to buy or sell Assets, it is their responsibility to ensure that there is sufficient Cash in your Investment Account to buy an Asset. We are not responsible for any loss you may suffer due to a delay to the processing of your order caused by there being an insufficient Available Cash Balance in your Investment Account. We will only place an order on your behalf once Cash is available in your Investment Account.
- 14.4. Some Assets are categorised as complex Assets in accordance with the Applicable Law. If you have appointed an Adviser Firm and they permit you to open an Investment Account and trade without their advice you will be an Execution-only Client for the purposes of this Investment Account (see Section E). If you wish to invest in complex Assets as an Execution only Client then we are required to conduct an appropriateness test. Based on the information you provide we will assess if you have the necessary knowledge to understand the risks involved in investing in complex Assets. If we are satisfied you have the required knowledge we will execute the transaction on your behalf.

- 14.5. You agree that where you have appointed an Adviser Firm and/or third party DFM, they are authorised to provide us with instructions on your behalf. It is up to AAC to make sure, where relevant, that an appropriate DFM agreement is in place (either between the third party DFM and the Client or the third party DFM and the Adviser Firm acting as agent on behalf of the Client) allowing a third party DFM to act on your behalf. We will not be responsible for deals placed by a third party DFM without your, or AAC's, authority.
 - 14.6. Instructions to us to buy and sell Assets on your behalf will be transacted directly with the third party concerned (e.g. a Fund manager), in accordance with our Order Execution Policy. Our Order Execution Policy is available from AAC (where applicable) or on our website and is designed to ensure that we obtain the best possible result for you in accordance with Applicable Law.
 - 14.7. We will exercise all reasonable professional care in the execution of deals and selection of brokers, bankers and other third parties whom we may from time to time instruct, or retain and we shall, incur no liability whatsoever to you for any loss or diminution in the value of Assets. If we make an error we will correct your Investment Account for all items in excess of £5 at the earliest opportunity. We will ensure that our action to correct the matter will be fair to you.
 - 14.8. By opening an Investment Account with us you consent to our Order Execution Policy. As explained in our Order Execution Policy, you authorise WBS to execute transactions on your behalf outside of an EU regulated market (such as an Exchange or multilateral trading facility) where appropriate.
 - 14.9. Some orders may be aggregated and a bulk deal placed. Our Order Execution Policy governs the placement of such deals. When orders are disaggregated, there may be penny rounding differences which cannot be allocated at a Client level. Where this occurs, we will pay any such roundings to a registered charity annually.
 - 14.10. You may be able to cancel an unexecuted order on your Investment Account via the Platform. However, please note that there may be a slight delay between the order being executed and it then being removed from the list of pending deals on the Platform. It may not therefore always be possible to cancel an order shown as pending. And in that case, you may have to buy or sell the Asset again (as appropriate) and you may not get back the original value of your investment.
 - 14.11. We or WBS may cancel a transaction without notice where it is believed there is a valid reason, including where we or WBS are requested to do so by a third party involved in executing a transaction such as an Exchange or a counterparty. We will not be liable for any loss you incur as a result of the cancellation in such circumstances.
 - 14.12. We and WBS reserve the right to reject an order. For example, levels of trading are actively monitored and acceptance of orders from Clients who have a history of excessive trading or whose trading has been disruptive may be refused.
 - 14.13. Certain Assets may have a minimum trade value. Consequently, a trade placed for less than this amount will be rejected by removing it from your Investment Account and we will inform you or AAC (where applicable) via the Message Hub on the Platform, or by email.
 - 14.14. In instances where a payment to your Investment Account is unpaid for any reason, you will be held accountable for any loss that may arise due to market movement.
 - 14.15. You are not permitted to trade to take advantage of Market Timing. We and the Custodian will discuss suspected Market Timing activity with relevant third parties (such as Fund managers and stockbrokers) and adjustments may be applied after trades to account for major market movements.
 - 14.16. Where there is a need to fulfil due diligence under FCA or UK anti-money laundering legislation we reserve the right to defer Settlement.
 - 14.17. We can only deliver Assets or the proceeds of a sale to your Investment Account when we have received these Assets or sale proceeds from the other party to a transaction.
 - 14.18. Due to the time it takes for some transactions to settle in certain markets outside of the UK there may be a delay as to when we receive sale proceeds.
 - 14.19. The proceeds of the sale of an Asset will usually only be paid to your Platform Account or to a UK bank account in your name. In some instances we may agree to pay the proceeds to another company appointed by you to act on your Platform Account, for example an FCA regulated company or a solicitor that operates a client money account.
 - 14.20. We will place any order in good faith and will assume you have understood that money placed in Assets outside of the UK regulatory regime may not provide the same protection as those based in the UK. For further information please refer to AAC (where applicable) and Section 34.
 - 14.21. Our policy in respect of the use of proceeds from trades is as follows:
 - 14.21.1. Cash proceeds from confirmed (but not settled) sales can be used both on individual and Model Portfolio orders.
 - 14.21.2. For individual orders, Assets from confirmed (but not settled) buys can be sold but for Model Portfolio rebalances Asset holdings must be settled before being sold.
- We reserve the right to vary any aspect of the above policy without notice.
- 14.22. We have discretion to apply Cash to an Investment Account on a day other than a Business Day. After you have made your investment, we may have to adjust your holding (for example, on the basis of instructions received from a Fund manager or counterparty). We will not adjust your holding where the proposed adjustment is £5 or less.
 - 14.23. The Contract Note will be accessible in the Message Hub on the Platform. For Joint Accounts the Contract Note will always appear in the name of the first joint Account holder.

15. Buying and Selling Funds via the Platform

- 15.1. Once cleared Cash is available in your Investment Account, we will endeavour to place any trades within the next two Valuation Points. For some Funds the next available Valuation Point may be later than one Business Day after the order has been placed.
- 15.2. Some Funds available on the Platform are dual priced. The price we trade at for these Funds may be different to the price listed at a particular point in time on the Platform. It is you or AAC's responsibility (where applicable) to research the pricing of any Funds you select.
- 15.3. Fund managers may automatically correct pricing errors and not inform us if it is below 0.5% of the Fund value. There may be some occasions when your order is sold at the erroneous price and the Fund manager will not correct the price.
- 15.4. Some Fund managers will only accept purchases or sales to the nearest decimal place as specified by them. In such circumstances there may be small residual amounts of Cash which will be retained within your Investment Account.
- 15.5. Settlement of a Fund sale will take place once cleared Cash has been received from the Fund manager. Usually this will be no later than 10 Business Days following receipt of all required documentation by the Fund manager.
- 15.6. If you have appointed an Adviser Firm, please speak to AAC for more information on specific terms relating to Fund trading and pricing, or contact our Client Services team.

16. Buying and selling Exchange-traded assets via the Platform

- 16.1. Settlement of Exchange-Traded Asset transactions will usually be undertaken via CREST. Each CREST transaction will normally be settled no later than two Business Days after the transaction date and following receipt of all the required documentation. Settlement of non-CREST Exchange-Traded Assets may take place later than two Business Days after the transaction date and following receipt of all the required documentation.
- 16.2. Some Exchange-Traded Assets may only be traded to the lot size as specified by the issuer.

- 16.3. We cannot accept trades that do not settle in sterling in CREST. Overseas Exchange-Traded Assets available on the Platform must have an arrangement with CREST that allows them to be settled in sterling. If a foreign exchange rate is applied to a trade, this rate will be provided by the relevant third party at the point of execution of the trade.
- 16.4. Settlement of Over-The-Counter trades will usually take place in accordance with the standard Settlement process (including timescales) for the Assets being settled.
- 16.5. Prices of Exchange-Traded Assets displayed within your Investment Account reflect the latest daily and end-of-day prices respectively. Some Exchange-Traded Assets price less frequently (e.g. monthly). These prices should therefore only be used as an indicative price. We will reflect gilt prices as clean prices (prices that exclude any accrued interest).
- 16.6. We will actively monitor Asset price movement and apply controls such as price tolerance checking. For example, where Asset prices moves by greater than 5% from the previous Valuation Point.
- 16.7. We will not:
 - 16.7.1. deal in suspended Exchange-Traded Assets;
 - 16.7.2. accept short positions; or
 - 16.7.3. undertake stock lending.

17. Regular Investment Option via the Platform

- 17.1. You can make regular monthly investments into Assets. For Exchange-Traded Assets, the minimum is the amount of the last known whole share price. Where you have appointed an Adviser Firm, they may also specify a minimum Asset value for each phased investment.
- 17.2. Regular investments will be made on the 7th, 14th, 21st, or 28th calendar day of each month or the next applicable Business Day, as chosen by you. Partial trades will not be placed. You are responsible for ensuring your Available Cash Balance is sufficient five Business Days before a regular investment is due to be made. If your Available Cash Balance is not sufficient, your investment will not take place.
- 17.3. Investments will be made in accordance with our Order Execution Policy.
- 17.4. Regular investment instructions will continue to be executed until varied or stopped by you via the Platform.

18. Discretionary Fund Managers

- 18.1. You have the option to use a third party DFM to provide portfolio management services in relation to your Platform Account or a specific Investment Account (you may also appoint us as DFM, in which case Section D applies and this clause 18 does not apply).
- 18.2. In order for a third party DFM to provide these services, a third party DFM must be given access to your Assets via the Platform. Before the third party DFM can access your Assets or place orders on your Investment Account:
- 18.3. A DFM Agreement must be in place either between AAC (where applicable) and a third party DFM (where the Adviser Firm is acting as your agent on your behalf);
 - between you and a third party DFM; or
 - between you, AAC and a third party DFM (i.e. a tri-partite agreement).
- 18.4. Where appointed by AAC, the third party DFM does not act for you but has an agreement with AAC who acts as your agent and instructs the third party DFM in that capacity.
- 18.5. If you have appointed an Adviser Firm, they must provide us with evidence of your authorisation for the third party DFM to access your Assets.
- 18.6. A third party DFM must also have entered into a separate agreement with us in order to access our Platform. We reserve the right to refuse a third party DFM access to our Platform but will not do so without having first discussed this with AAC.
- 18.7. A third party DFM must manage Assets in line with their stated investment powers and limits outlined in the agreement that you and/or AAC have in place with a DFM. 18.7. You can appoint more than one third party DFM to your Platform Account at any one time.
- 18.8. If you have agreed for a third party DFM Charge to be paid from your Investment Account, and it is possible for us to do so, we will pay the third party DFM Charge directly to the third party DFM.
- 18.9. Please speak to AAC (where applicable) for further information on the use of third party DFMs (including third party DFM Charges).

19. Model Portfolios

- 19.1. Model Portfolios may be created by a third party DFM, by an Adviser Firm appointed by you (either in their capacity as AAC or in the capacity of a third party DFM) or by P1 (as DFM). Model Portfolios can then be linked to your Investment Account and your Assets managed in accordance with the Model Portfolios. You can invest some or all of your Assets in a Model Portfolio.
- 19.2. Any Model Portfolio in which you invest may be an Advisory Model Portfolio or a Discretionary Model Portfolio. If you have appointed an Adviser Firm, they will explain to you whether the Model Portfolio(s) in which you invest are Advisory Model Portfolio(s) or Discretionary Model Portfolio(s). If you have not appointed an Adviser Firm, any Model Portfolio(s) in which you invest will always be Discretionary Model Portfolio(s).
- 19.3. You may hold Assets in more than one Model Portfolio at the same time within each Investment Account, but where your Investment Account contains different Sub-Accounts, each Sub-Account can only invest Assets in one Model Portfolio at a time.
- 19.4. When you have appointed an Adviser Firm and they are operating a Model Portfolio in which you have invested Assets, either they (in their capacity as AAC or, where applicable, as a third party DFM) or a third party DFM may, from time to time, instruct us to buy or sell Assets. For example, they may buy and sell Assets such as Funds to realign these Funds to certain proportions within a Model Portfolio.
- 19.5. Depending on the investments held within a Model Portfolio, and the timing of confirmation receipts across those investments, there is the possibility that Clients within a model may not receive the same execution price for purchases of further investments within the same Model Portfolio, owing to such timing differences. Please refer to the Order Execution Policy for further details of our approach to the handling, aggregation and allocation of Client orders.
- 19.6. If your Assets are no longer linked to a Model Portfolio, you will remain invested in these Assets and no further rebalancing of Assets will take place. Where you have appointed an Adviser Firm, they can explain the implications of this to you.
- 19.7. Where you have appointed an Adviser Firm they, and, where appointed, your third party DFM, are responsible for monitoring and ensuring that any Model Portfolio matches the predetermined investment strategy and risk profile.

20. Withdrawals and transfers from your Platform Account

- 20.1. Any withdrawal or transfer requests are subject to the Settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much the tax, Charges or other amounts will be, we may retain an amount of Cash that we feel is reasonable and appropriate. Any remaining Cash will then be paid to you or transferred out. If payment to you results in full removal of the Investment Account balance (for both Cash and Assets), we will close your Investment Account once we are satisfied that no further income (eg dividend income) is due to you.
- 20.2. Subject to the Applicable Law and the applicable terms and conditions for the Investment Account you wish to make withdrawals from:
 - 20.2.1. you can make one-off and/or regular withdrawals;

20.2.2. regular withdrawals can be paid monthly, quarterly, half yearly or annually. They can only be paid into your Nominated Bank Account and will only be paid on a Business Day. Withdrawals must be a specified amount in sterling;

20.2.3. if there is insufficient cleared Cash in your Investment Account on the date that a payment is due to be made, the payment will not be made; and

20.2.4. you can choose how you want Income to be paid to you. Income can be paid to you from your GIA and/or ISA:

- a) at a certain frequency (monthly, quarterly, half yearly, or annually); or
- b) upon receipt by us of the Income in your Investment Account.

Please refer to Section C for details on how income can be paid from your P1 Pension Account.

20.3. You may be able to transfer out the cash value of your existing Assets with us, or your existing Assets to another provider (In-specie transfer or re-registration).

20.4. The ability to re-register Assets will depend on the receiving provider offering the exact same assets and share classes in the Investment Accounts to which you want to re-register them. We reserve the right to recover any re-registration costs that we incur in the re-registration process for example, where we have been charged by the new provider.

20.5. Transfer requests may be initiated through AAC (where applicable) or the receiving provider. In the event of transferring Assets from your Investment Account, you must cease all trading on your Investment Account in those Assets.

21. Corporate Actions and reports

21.1. Assets in which you invest may be affected by Corporate Actions (i.e. something that will bring about a change in the investments you hold). Some Corporate Actions require a choice to be made in respect of your holdings in a particular Asset, such as a Fund. This is known as an election.

21.2. Where we are aware of a Corporate Action requiring election, we will contact AAC (where applicable) or third party DFM, detailing your election options within 10 Business Days of us receiving full details of the Corporate Action. If we do not receive instructions before the election deadline, we will apply the default option as outlined in our communication.

21.3. Where a Corporate Action does not require election, we will inform AAC (where applicable) or third party DFM of the details within 10 Business Days after the effective date of the Corporate Action.

21.4. Where a third party DFM has been appointed to manage your Assets (such as in a Discretionary Model Portfolio) all Corporate Action communications will be notified electronically to AAC (where applicable) and the third party DFM.

21.5. If an instruction from you, AAC (where applicable) or third party DFM, and relating to an election, requires additional payment (such as a rights issue), then the giver of the instruction is responsible for ensuring there is sufficient Available Cash Balance in your Investment Account before the election deadline. Otherwise we will exercise the default option. We are not responsible for any loss you may suffer due to us not being able to process the instruction because there is insufficient Available Cash Balance in your Investment Account.

21.6. If a Corporate Action results in a change to an Asset or creates Assets that cannot be held by us, we reserve the right to return the Asset to you if the terms of the Investment Account allows this. If we cannot hold the Asset we may request that AAC (where applicable) or third party DFM sells or switches out of the Asset before the election deadline. We also reserve the right to return the Asset to you.

21.7. Certain Corporate Actions (e.g. consolidations) may result in fractional allocations of shares and/or Cash distributions. For example, if a consolidation applied 1 share for every 10 held, this could result in a fractional entitlement. Fractional entitlements will be sold where possible, and the Cash proceeds of under £5.00 will be donated to a registered charity. Fractional entitlements cannot be held on the Platform.

21.8. We will not forward company reports relating to your Assets. These should be obtained from AAC (where applicable). We are also unable to pass on to you any shareholder perks relating to Assets held by you.

21.9. We will not contact you, AAC, or third party DFM (if applicable) regarding shareholders' or unit holders' meetings or to vote. If you wish to attend these meetings or vote, please speak to AAC.

22. Dividends and other Distributions from Assets

22.1. Income generated by Assets will be collected by us and paid to your Investment Account,

22.2. We will pay any Income in to your Investment Account within 10 Business Days of us receiving both the cash and a valid tax voucher. Alternatively, if you have requested it, and it is allowable under the Investment Account, we will pay Income by BACS to your Nominated Bank Account, within 10 Business Days of us receiving both the cash and a valid tax voucher for that Income.

22.3. If you hold non-UK Assets, we will not reclaim any withholding tax deducted on the income.

22.4. As required by the Applicable Law, we will where applicable report any Income received from your Assets to HMRC.

23. Charges

23.1. Charges applicable to your Platform Account will depend on a number of factors including:

- 23.1.1. the value of your Investment Account(s);
- 23.1.2. the Investment Account(s) in which you invest;
- 23.1.3. the Assets in which you invest; and
- 23.1.4. the terms of your agreement with AAC (where applicable); and
- 23.1.5. the terms of your agreement with your third party DFM (where applicable).

Where you have appointed an Adviser Firm, please speak to them for details of the latest Charges applying specifically to your Platform Account otherwise please speak to our Client Services Team.

23.2. Our charges are set out in the P1 Account Charges Schedule available on our website (<https://p1-im.co.uk/p1-platform-important-information/>) and form part of these Platform Terms & Conditions. Our charges may be subject to change. For details on when we may change our charges and how we will notify you, please see Section 28 - Changes to these Platform Terms & Conditions. This will not affect any of your rights to close your Platform Account and terminate these Platform Terms & Conditions with us. Please see Section D for details of other Charges that may apply when you appoint P1 as DFM.

23.3. We apply our charges on the value of the total Assets and Cash held in your Platform Account, this includes any Assets suspended from trading. See Section 31.18 for how we value suspended assets.

24. Adviser Charges and third party DFM Charges

24.1. You must agree with any Adviser Firm that you appoint, the amount you will pay them for advice and other services they provide to you (Adviser Charges). You must also decide whether any Adviser Charges are to be deducted from an Investment Account, or settled directly between you and AAC.

- 24.2. Where you have appointed an Adviser Firm, you may have agreed with AAC to use a third party DFM to manage your Assets. There may be an additional Charge for this. This third party DFM Charge will be agreed between you, AAC and your third party DFM (where AAC is not also providing these services). We will deduct any initial or ongoing third party DFM Charges you or AAC (acting as agent on your behalf) have agreed from your respective Investment Account.
- 24.3. If you have an Investment Account from which Adviser Charges and/or DFM Charges are being taken but it no longer has sufficient value to pay these Adviser Charges or DFM Charges, we reserve the right not to pay these Firm Charges or DFM Charges. You will still be responsible for paying those charges to the party concerned.
- 24.4. If you die, any Adviser Charges and DFM Charges payable will continue to accrue on your Platform Account until we receive an original death certificate. For further information please refer to Section 29 – 'Ending this Agreement'.

25. Other Charges

- 25.1. Other charges may include Fund Charges, transaction charges and Exchange-Traded Asset Charges. Please speak to AAC (where applicable) for further information – otherwise please speak to our Client Services team.

Charges - Funds

- 25.2. A Fund manager may apply a bid/offer spread or initial charge, an Annual Management Charge, an exit charge on leaving the Fund and other fees. These Charges are usually deducted directly out of the Assets within the relevant Fund.
- 25.3. Adjustments may need to be made after the sale of a Fund has been executed. For example, a Fund manager may apply a Dilution Levy to the withdrawal from a fund. Under these conditions, we will contact you to explain any such further Charges being applied.
- 25.4. If a Fund in your Investment Account is small, any Charges relating to the Fund may have a disproportionate effect on the value of the Fund.
- 25.5. For further details of Charges applied by Fund managers, please refer to their literature or speak to AAC (where applicable) or our Client Services team.

Charges - Exchange-Traded Assets

- 25.6. Charges may be applied such as Stamp Duty Reserve Tax (SDRT) and the Panel On Takeovers And Mergers (PTM) levy. For further details of Exchange-Traded Asset Charges please refer to the Exchange-Traded Asset literature and AAC (where applicable).

How Charges are taken

- 25.7. You must hold sufficient Available Cash Balance (see Section 11) in respect of each Investment Account in order to meet Charges.
- 25.8. Where the Available Cash Balance within a specific Investment Account has not been restored and there are insufficient available Assets to cover Charges due, you will be personally responsible for covering the payment of these Charges.
- 25.9. This means you must settle any Charges immediately following notification by us of the amount outstanding. Where you fail to do so we may cancel, terminate and/or suspend our agreement with you without any liability to you. If we need to take legal action against you for the recovery of any Charges, then you will be liable for any expenses incurred by us in doing so. This includes any legal fees.
- 25.10. All P1, Adviser Charges and/or DFM Charges that we have deducted from your Investment Account will be reflected on your Valuation Statement. However, you may have agreed to pay additional charges for services about which we are unaware. You should consult AAC (where applicable) to understand all charges and fees for which you may be liable or speak to our Client Services team.

26. Taxation

- 26.1. We do not provide you with any legal, investment or tax advice. Please refer to AAC (where applicable) or other suitably qualified professional for advice specific to your individual circumstances.
- 26.2. You will be wholly responsible for your tax liabilities. Levels of taxation and tax relief are subject to change.
- 26.3. We are required under Applicable Law to collect certain information about your tax residency. We may be obliged to share this and other Platform Account information with HMRC who may transfer this information to the government of another territory where the UK has entered into an agreement with them to do so.
- 26.4. Except where explicitly stated, all Platform Charges and P1 DFM Charges are deemed inclusive of any taxes that may apply. It is AAC's responsibility to confirm whether VAT is to be applied on any Adviser Charges or other Charges paid from your Cash Account or Investment Account to them. Similarly, where applicable, it is your third party DFM's responsibility to confirm whether VAT is to be applied on third party DFM Charges paid from your Investment Account to them.
- 26.5. Where applicable, we will provide you with a consolidated tax voucher each year, based on our understanding of current law and regulatory requirements. We will endeavour to do this within 90 days of the previous tax-year end. This may assist you with completing your tax return but please note that it is your responsibility to calculate your tax liabilities accurately and ensure that they are paid. Please refer to AAC (where applicable) for further details and advice.
- 26.6. Should you hold overseas Assets, it remains your, or AAC's (where applicable) responsibility to ensure that you understand the tax position for your chosen Assets.
- 26.7. If you invest in non-UK based Assets, it may be possible to obtain a reduced rate of withholding tax on foreign Income payments. This will be wholly dependent on your personal circumstances and compliance with any relevant procedures for the jurisdiction in which the assets are based.
- 26.8. We will not accept responsibility for not receiving a reduced rate of withholding tax as a result of incorrect or incomplete documentation.

27. Ending your agreement with AAC/ Discretionary Fund Manager

- 27.1. Where you have appointed an Adviser Firm and subsequently change your existing Adviser Firm you must notify us. Any new Adviser Firm appointed by you must sign a separate agreement with us before we allow them to access and manage your Platform Account. We retain the right to refuse access to the Platform to a new Adviser Firm appointed by you.
- 27.2. We will classify you as a "Client without an Adviser Firm" where it has come to our attention you no longer have an Adviser Firm who is appropriately authorised to operate your Platform Account. This could be where, for example,
 - 27.2.1. Your agreement with AAC ends, and you no longer have an Adviser Firm; or
 - 27.2.2. Your agreement with AAC ends, and your new Adviser Firm does not have a separate agreement with us to operate Clients on the Platform; or
 - 27.2.3. The agreement between us and AAC has been ended.
- 27.3. Becoming a Client without an Adviser Firm has the following consequences:
 - 27.3.1. We will contact you via email confirming that you do not have an Adviser Firm;

- 27.3.2. We will ask you if you wish to become an Execution-only Client (you should refer to Section E) or, where AAC had previously instructed P1 to manage Portfolios on your behalf, if you wish to become a direct Client of P1 (Section D);
- 27.3.3. If you do not confirm that you wish to become an Execution-only Client or become a direct Client of P1, we will restrict your Platform Account so that you cannot buy any Assets and confirm the options that are available to you;
- 27.3.4. We will require you to complete an appropriateness questionnaire should you wish to sell an Asset that is defined by the FCA as a "complex investment" - see Section 14.4.
- 27.3.5. We will stop paying Adviser Charges from your Platform Account. You may still be liable to pay the Adviser Firm for any advice you have received and you will need to settle this with them directly;
- 27.3.6. If you are invested in a Discretionary Model Portfolio with P1, this will end (see Section 19.6) unless you agree to become a direct Client of P1 (Section D); and
- 27.3.7. If you are invested in a Discretionary Model Portfolio with a third party DFM, this will end unless you have a direct agreement with the third party DFM to manage your Discretionary Model Portfolios according to a particular Mandate – if this is the case, we will confirm this to you through the Message Hub.
- 27.4. Where permitted under Section E and where you sell Assets without the advice of an Adviser Firm, you take sole responsibility for this action and accept and acknowledge the risks involved in these transactions.
- 27.5. It is important that you understand we are not responsible for assessing whether our Platform, Cash Account, Investment Accounts, transactions, or Assets are suitable for you – this is the responsibility of the Adviser Firm who originally advised you, or where we and/or AAC permitted you to trade without the benefit of their advice, this will be your responsibility.
- 27.6. We also, in accordance with Section 14 – '**Instructing us to buy or sell Assets**', reserve the right to reject an order.
- 27.7. If a third party DFM has been appointed to your Platform Account, they will continue to have authority to operate your Platform Account until:
- 27.7.1. your death;
- 27.7.2. you or AAC ends this authority;
- 27.7.3. we end the authority of the third party DFM, or Adviser Firm to operate Investment Accounts on our Platform; or
- 27.7.4. the third party DFM ends their relationship with us, you, or AAC.
- 27.8. In the event of a DFM or Adviser Firm no longer being associated with your Platform Account, we will stop paying DFM Charges from your Platform Account to the DFM. You may still be liable to pay the DFM for any service you have received.

28. Changes to these Platform Terms & Conditions

- 28.1. We may change the terms of these Platform Terms & Conditions, including our Charges, from time to time in whole or in part. We can do this for the following reasons:
- 28.1.1. to conform with any legal, regulatory, FCA Rule, HMRC Rule or code or practice requirements or industry guidance;
- 28.1.2. to reflect any decision or recommendation by a court or the Financial or Pension Ombudsman Service;
- 28.1.3. to allow for the introduction of new or improved systems, methods of operation, services or facilities;
- 28.1.4. to reflect changes in the cost of providing our services to you, including any direct costs we are required to pay to others;
- 28.1.5. to reflect changes in market conditions;
- 28.1.6. to make them clearer or more favourable to you; or
- 28.1.7. for any other valid reason.
- 28.2. Where we make a change to any terms in these Platform Terms & Conditions (including our charges) which may be to your disadvantage, we will give you at least 30 days written notice, except where required to implement such a change prior to that due for example for reasons given in 28.1.1. Otherwise we will give you written notice within 30 days of making the change.
- 28.3. The most up-to-date versions of these Platform Terms & Conditions and the P1 Account Charges Schedule is available on our website at <https://p1-im.co.uk/p1-platform-importantinformation/> and from AAC (where applicable).
- 28.4. If you are not satisfied with a change, you will be entitled to terminate your Platform Account under Clause 30 of these Platform Terms & Conditions and there is no charge you for terminating your Platform Account. However, please note you may still have to pay applicable fees and Charges as outlined in the P1 Account Charges Schedule.
- 28.5. If you do not notify us that you are dissatisfied with any changes to these Platform Terms & Conditions before the end of any notice period, you will be treated as accepting the changes.
- 28.6. No change will affect any outstanding order or transaction or any other legal rights or obligations which may have arisen before the date of the change.

29. Ending this Agreement

Cancellation

- 29.1. Depending upon the Investment Account chosen, you are able to cancel your Platform Account up to 30 days after you receive our confirmation of its establishment (your "Cooling off Period"). We will confirm the Cooling off Period that applies to each of your Investment Accounts. However, if you have asked us to invest your Cash in Assets available through the Investment Account, you may get back less than you have invested and if there is any gain in the value of your Assets up to the point at which you cancel, this gain will not be returned to you.
- 29.2. If you have not asked us to invest your Cash in Assets during your 'cooling off period', and if you then decide to cancel your Investment Account you will receive back the original amount.
- 29.3. If you cancel your Platform Account within the cooling off period, we will not refund to you any Adviser Charges, or (where applicable) DFM Charges, deducted from your Investment Account. You will need to discuss with AAC and/or third party DFM (where applicable) about them refunding any of these Adviser Charges directly to you. Once you have cancelled you may still be liable to pay AAC for any advice received and/or third party DFM for any services provided to you. This may include outstanding Adviser Charges which we have not deducted from your Investment Account and that you will need to settle with AAC directly.
- 29.4. On receipt of written instructions to cancel, we will execute instructions to sell any Assets purchased. We will not return any monies to you until such transactions have cleared.

If you die - Individuals

- 29.5. If you die, we will deal with your GIA Investment Account as instructed by your personal representatives upon receipt of evidence that they have the authority to give us instructions. For information about how we deal with your ISA please refer to Section B – Terms and conditions specific to the Individual Savings Account (ISA) and the ISA Key Features Document. For information about how we deal with

your P1 Pension Account or your Intuitive Pension Account please refer to Sections C and D respectively and the relevant Key Features Document.

- 29.6. Upon receipt of a death certificate, we will allow AAC (where applicable) to access your Platform Account, buy, switch, redirect or sell Assets, take withdrawals or make any payments to your Platform Account, provided that we are satisfied that the executors of your will have continued to instruct AAC. Where we are not satisfied that your executors (or administrators if you die without making a will) have continued to instruct AAC, we will no longer allow the Adviser Firm to access your Platform Account and your Assets will continue to be exposed to movements in the market and may fall in value as well as rise. We will only accept instructions from your personal representatives - see Section 29.5.
- 29.7. P1 Account Charges will continue to accrue until all Assets or Cash have been paid to your beneficiaries.
- If you die - AAC and third party DFM (where applicable)
- 29.8. Any Adviser Charges payable will continue to accrue on your Platform Account until we receive an original death certificate. If your personal representative(s) choose to retain the services of AAC to manage your Platform Account, they will need to provide us with authority for Adviser Charges to continue to be deducted.
- 29.9. If a DFM was appointed to your Platform Account, they will no longer have the authority to access and manage relevant Assets in your Investment Accounts. We will stop any payments of DFM Charges (where applicable). Your personal representative(s) may still be liable to pay AAC or DFM for any advice or service you have received.
- 29.10. If any Investment Account is invested in a Model Portfolio, it is AAC's responsibility to stop your Investment Account from being linked to the Model Portfolio. Your Investment Account will therefore remain invested in these Assets but no further rebalancing of Assets will take place (see clauses 29.6 and 29.9).

30. Closing your Platform Account

- 30.1. You may close your Platform Account and end this Agreement at any time by providing us with notice via email to platform@p1-im.co.uk, or by withdrawing or transferring Assets elsewhere. You will not be able to close your Platform Account for the duration of any Loan Agreement that you have entered into. We may close your Platform Account and end this Agreement immediately if you commit a material breach of these Platform Terms & Conditions. For example if you commit an act which may be detrimental to our reputation. If we do this we will write to you to inform you. Otherwise, we may close your Platform Account and end these Platform Terms & Conditions by giving you at least 30 days' notice via the Platform Message Hub.
- 30.2. Notice will take effect immediately upon receipt of instructions by us or you.
- 30.3. Closure is subject to the settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much these amounts will be, we will keep an amount of Cash that we feel is reasonable and appropriate to cover such liabilities, and any remaining Assets will be transferred out.
- 30.4. Following Settlement we will close your Platform Account and transfer your Assets to you, unless the rules of the Investment Accounts require us to transfer these Assets to another provider. The payment to you will normally be by BACS credit to your Nominated Bank Account.
- 30.5. Should any payments (e.g. interest, dividends, tax reclaims) due to you arise after closure, we will pay this to you unless such payments amount to £5 or less which will be paid to a registered charity.
- 30.6. When your Platform Account is closed we will not refund to you any Adviser Charges deducted from your Platform Account. You will need to discuss with AAC (where applicable) about refunding any of these Adviser Charges.
- 30.7. Once you have closed your Platform Account you may still be liable to pay any Adviser Firm that you have appointed for any advice received and/or DFM for any services provided to you. This may include outstanding Adviser Charges which we have not yet deducted from your Platform Account. You will need to settle these directly with AAC, or DFM as appropriate.

Dormant Platform Accounts

- 30.8. If at least six years pass and during that period (i) no instructions relating to any Assets are received for your Platform Account or (ii) there has been no activity on your Platform Account (excluding transactions such as payments or receipts of Charges, or similar items) we will begin the process of closing your Platform Account.
- 30.9. We will then contact you and AAC (where applicable) via your last known email address informing you that we intend to close your Platform Account. In accordance with the Applicable Law, we will take reasonable steps to contact you. If we do not hear from you after reasonable steps have been taken, we will sell the Asset(s) under our Order Execution Policy and gift the proceeds to a registered charity.
- 30.10. Additionally, having taken the steps in clause 30.9, in instances where there is a Cash balance, we will close your Platform Account and gift the Cash balance to a registered charity. This means that we will cease to treat your Cash as client money and you will lose the protection of your Cash being held in the Client Account.
- 30.11. If at any time in the future you contact us and ask us for payment of Cash or the proceeds from the sale of Assets, we will, once we have checked your identity, pay what is due to you.

33. Liability

- 33.1. In these Platform Terms & Conditions we have outlined both your own and our responsibilities and liabilities. In this section, we provide further information about our or your liabilities.
- 33.2. You agree to accept full responsibility for all instructions placed and executed by you, or AAC or the third party DFM (where applicable) using the Platform. All instructions made via the Platform are at your sole risk and you will be liable for any tax or other Charges arising from any transactions made through your Platform Account.
- 33.3. We reserve the right to deduct all Charges incurred under these Platform Terms & Conditions and any other liabilities, from your Assets held in your Platform Account, including those arising from deals placed with third parties upon your instruction. Where possible, we will declare these Charges clearly in advance of your instruction.
- 33.4. In no event will any party be liable to you or anyone else for any event which is outside the reasonable control of the parties (and which does not relate to or arise by reason of fraud, wilful default or negligence of the party seeking to rely on the event) including, without limitation, fire, war or civil unrest, Act of God, revolution, act of terrorism, flood or other adverse weather conditions, pandemic, any strike or industrial action and/or government regulation but excluding any failure to perform by any sub-contractor and/or agent of any party (except to the extent such sub-contractor or agent suffer an event which is outside of their reasonable control), any strike or industrial action of any party's employees and/or any shortage of materials or supplies unless such shortage can be reasonably shown to afflict the entire industry in which the relying party operates for the purposes of these Platform Terms & Conditions.
- 33.5. You will be responsible to us and the Custodian for any liability or loss which we or the Custodian may suffer or incur (including taxes for which you are liable and any expenses reasonably and properly incurred) in the proper course of administering your Platform Account, except to the extent arising from any negligence, wilful default or fraud on the part of ourselves or the Custodian however nothing in these Platform Terms & Conditions shall limit our liability under the FCA Rules.
- 33.6. We will only accept instructions to buy and sell Assets through the Platform in order to avoid possible disputes relating to instructions. In the absence of such instructions, P1 will not accept any liability regarding unexecuted or wrongly executed deals.
- 33.7. Nothing included in the Platform constitutes an offer or solicitation to sell Assets by anyone in any jurisdiction in which such an offer, solicitation or distribution would be unlawful or in which the person making such offer or solicitation is not qualified to do so or to anyone to whom it is unlawful to make such offer or solicitation.
- 33.8. We maintain professional indemnity insurance cover in respect of our activities, as required by Applicable Law.

34. Compensation

- 34.1. P1 is covered by the Financial Services Compensation Scheme (FSCS) in respect of the Platform and the Cash Account and Investment Accounts within it. If you make a valid claim against us in respect of your investments and we are unable to meet our liabilities in full, you may be entitled to compensation, from the FSCS, of up to £85,000.
- 34.2. Your cash and Assets are always held separately from our own accounts and from those with whom we place the investments. As such, any insolvency practitioner should be obliged to return your cash and investment to you as part of any wind-down process.
- 34.3. If a provider of any Asset fails financially, as long as the one selected is covered by the FSCS - the fund prospectus will tell you this - your investments should remain covered up to a maximum of £85,000. However, this does not protect you against losses if the market were to fall in value.
- 34.4. The Banks that the Custodian uses acknowledge your money is held as client money which is protected in the event of the insolvency of P1 or the Custodian.
- 34.5. In the event of the insolvency of one of the Banks we use, any client money we hold for you is protected under the FSCS up to a maximum of £85,000 for each client (if the Account is a Joint Account, each Account holder will be entitled to up to a maximum of £85,000 each), and Bank with whom client money is held. This limit is applied to Banks that are separately authorised and can only be applied once, therefore Banks operating under different brands within the same authorisation are covered under the same limitation.
- 34.6. The compensation limit of £85,000 includes any other money held by you in Bank accounts with the authorised banks the Custodian uses, therefore if you have current or deposit accounts with the same Bank these will all count towards the compensation limit of £85,000. Temporary high balances of up to £1 million are protected for a limited period of 6 months from when the amount was first credited to the account or became legally transferable. The FSCS website has further details on the definition of a temporary high balance.

For further information please visit the FSCS website (www.fscs.org.uk).

The terms and conditions in this section apply to the P1 Pension Account. If anything in this Section C conflicts with Section A, this Section C will take priority.

The Terms and Conditions in this Section C apply to the P1 Pension Account. The pension scheme underlying the P1 Pension Account is the Seccl Personal Pension, referred to in this Section as "the Scheme". It is registered with HMRC under tax reference 20005619RK.

The Terms and Conditions in this Section C, together with your application form a legally binding agreement between you and us.

Where this document refers to or describes a particular tax treatment, you should be aware that tax treatment depends on your individual circumstances and is subject to change in the future. None of the parties to this Section C provide you with advice on your individual tax position and you should seek advice from a suitably qualified professional on your tax position if required.

2. Our Personal Pension Services

2.1 Digital Pension Trustees Limited (the Trustee) owns the cash and investments in your P1 Pension Account, holding them for your benefit under the Scheme Rules. The trustee has appointed Seccl Custody Limited to hold custody of the cash and investments. Seccl Custody Limited is responsible for the operation and administration of the P1 Pension Account. It is also responsible, as Custodian, for the safekeeping and administration of the investments which you acquire in your Personal Pension. Seccl Custody Limited is regulated by the Financial Conduct Authority to carry out these activities.

2.2 Our conflicts of interest policy sets out the types of actual or potential conflicts of interest which affect our business and provides details of how these are identified and managed or prevented. You have the right to ask us for further information regarding our conflicts of interest policy.

2.3 The FCA Rules require us to classify all investors. The P1 Pension Account service is provided by us to "retail clients". Unless we tell you otherwise, we will treat you as a retail client under the FCA Rules. This means you get the highest level of protection available under the FCA Rules.

2.4 Our Scheme enables you to make investments into a range of different assets, but we do not provide any financial or tax advice, and therefore we will not assess the suitability or appropriateness for you of the investments you choose to hold within your P1 Pension Account, the Scheme itself or any other service we provide.

2.5 The investments which we provide access to for your P1 Pension Account take into consideration FCA requirements, HMRC rules, legislation and our administrative requirements and may be more limited than the range of Assets available on the P1 Platform more generally.

Investment restrictions may be applied for the following valid reasons:

- a) Changes in HMRC rules
- b) Changes in pensions or other relevant legislation

- c) Changes in the regulatory regime governing pension assets or reporting requirements
- d) Changes in investment markets
- e) Changes in how our business operates

There is no alternative to the Cash Account within your P1 Pension Account.

- 2.6 If an Adviser Firm has recommended you invest into the P1 Pension Account and is advising on the investments into which your P1 Pension Account should invest, then AAC is responsible for assessing the suitability of both the P1 Pension Account and those investments for you. Likewise if you have appointed a DFM to manage all or part of your P1 Pension Account, then your DFM will be responsible for the suitability of their investment choices for you. If you do not have an Adviser Firm or DFM, then you alone are responsible for deciding whether your P1 Pension Account and the investments you choose are suitable for you. If you are in any doubt about the suitability or appropriateness of any particular investments, we recommend that you speak with an authorised adviser.
- 2.7 We may delegate our functions in respect of the P1 Pension Account to third parties in accordance with the Trust Deed. We will be responsible for the actions and omissions of any person to whom a function is delegated. We may also engage agents to help us perform our functions but will not be responsible for any acts and omissions of such persons subject to our duties under the FCA Rules and provided such engagements do not amount to a delegation of our functions.
- 2.8 Our Scheme is exclusively an online product for which you will need to complete an Application. We will send communications and documents to you via the Message Hub, or by email. We will not generally communicate with you by post. All of our documents and communications with you will be in English. You agree to receive copies of our up-to-date policy summaries (including summaries of our conflicts of interest and order execution policies) via our website.
- 2.9 You can communicate with us about the P1 Pension Account by email at platform@p1-im.co.uk or by telephone on 0333 241 4129.
- 2.10 We are obliged under the FCA Rules to record certain communications (including telephone calls, electronic communications and instant messaging) which relate to, or are intended to lead to, the buying or selling of an investment. You have the right to request a copy of such recordings relating to your P1 Pension Account at any time in the five-year period beginning on the date of the relevant recording. We may monitor and record other communications and calls.
- 2.11 If we are negligent, knowingly in default, act fraudulently, or breach these Terms and Conditions or Applicable Law (as relevant), then we are legally responsible to you for the results of our actions unless set out below.
- 2.12 If we make a mistake acting on your instructions to deal in, switch or sell investments, we will correct it as soon as possible, and reimburse you for any loss that is a direct result of our error. This reimbursement may occur outside your P1 Pension Account, due to the tax treatment of such corrections.
- 2.13 We will not be responsible to you:
 - 2.13.1. if you suffer a loss because the value of your assets fall;
 - 2.13.2. if you suffer a loss because you fail to comply with these Terms and Conditions or with any applicable legal requirement or because of any action which we take or refrain from taking in order to ensure that we comply with your instructions;
 - 2.13.3. for any action which we take or refrain from taking in order to ensure that we comply with Applicable Law;
 - 2.13.4. if we delay or fail to execute a transaction because of market conditions which may prevent us from being able to execute it in accordance with our order execution policy or Applicable Law;
 - 2.13.5. if you suffer a loss that was not reasonably foreseeable by you or us when accepting your Application for the P1 Pension Account or is not otherwise a natural result of the breach;
 - 2.13.6. if you suffer any loss or damage as a result of an external event or something else that is unavoidable and outside our reasonable control, or as a result of any steps which we reasonably take in response to such (including the unavailability of our systems);
 - 2.13.7. for any deals on your P1 Pension Account made by any person you have authorised to deal on your scheme (such as your Adviser Firm) that are placed incorrectly or without your authority; and/or
 - 2.13.8. for the performance of any third party (for example, any broker required to execute a transaction), unless otherwise stated in these Terms and Conditions.

In this clause, the word "loss" includes but is not limited to any liability to tax or penalty under tax law.
- 2.14 The responsibilities in this section also apply to the Nominee and the Trustee. We are responsible for their respective actions or omissions.

3. Your responsibilities

- 3.1 By opening your P1 Pension Account, you agree that you will not take part in activity that may be considered to be market abuse. If we believe that your P1 Pension Account is being used to engage in market abuse, we reserve the right to take such action as we deem to be appropriate.

4. P1 Pension Account establishment

- 4.1 You can generally open and maintain a P1 Pension Account if you are an individual aged 18 years or over and aged under 75 years (if you are aged 75 years and over, you may open and maintain a P1 Pension Account via a transfer, however you will be unable to claim tax relief on any contributions into your pension).
- 4.2 As part of the P1 Pension Account opening process, you will set up a username and password and provide certain other personal security details which you will use to access the P1 Pension Account. You must keep your security details secret. You must not disclose them to anyone or allow any other person to access your P1 Pension Account using your security details. We are not responsible for any loss that your P1 Pension Account may incur as a result of not having kept your security details and/or password secret.
- 4.3 The submission of your Application does not constitute our acceptance of your P1 Pension Account which we may decline entirely at our discretion. These Terms and Conditions come into force when we accept your Application.
- 4.4 Under applicable money laundering regulations, we are required to verify the identity of our investors and their beneficial owners (which for your P1 Pension Account may include your employer's beneficial owners where contributions are made by your employer) and obtain additional information in relation to them. In order to do this, we may carry out electronic searches on private and public databases and use credit reference agencies which will record that an enquiry has been made. We may also need to ask you for further documentation as evidence.
- 4.5 Until we have verified your identity, we will place restrictions on your P1 Pension Account, and we may prevent any payments of Benefits to you or refuse any contributions or transfers.
- 4.6 We will confirm when we have accepted your Application and you will become a member of the Scheme as long as you have supplied all relevant information about any tax relief and other information requested as part of the application process.

- 5 Making payments and contributions to the P1 Pension Account**
- 5.1 If you are eligible, you or your employer may make contributions to your P1 Pension Account either on an ad-hoc or regular basis. These contributions can be done through a transfer of money via bank transfer, direct debit or other payment method made available by us from time to time.
- 5.2 Personal contributions will normally be treated as having been paid net of basic rate tax which we will claim on your behalf from HMRC. The tax reclaim process normally takes between six to 12 weeks, during this time the money being reclaimed is not available for investment until we receive cleared funds from HMRC.
- 5.3 Tax relief is granted at your highest marginal rate of income tax. If you are a higher rate taxpayer, you will need to reclaim the additional tax relief through your self-assessment tax return.
- 5.4 You must tell the Administration Company if you are not entitled to tax relief on all or part of the contributions. More information on contribution rules and limits are available on our website or by contacting a financial adviser.
- 5.5 If you make contributions to your P1 Pension Account which, when combined with other contributions to other UK pension schemes, exceed the amount on which you are entitled to tax relief, we may agree to refund the excess contributions to you provided there is sufficient money in your P1 Pension Account to make the refund to you and repay any amounts due to HMRC. Any investment loss or growth in respect of a refunded contribution will be deemed to be outside the Scheme. A contribution cannot be refunded simply because it takes contributions over the Annual Allowance. Before we refund any excess contributions, we will require evidence that the payment will be authorised under the tax rules. Any excess tax relief already received from HMRC must be returned to HMRC within the timescale specified by HMRC. We are not responsible for any interest levied by HMRC on a refund of overpaid tax relief. See clause 5.11 below about the Annual Allowance.
- 5.6 A refund of excess contributions can be requested at any time before the end of the sixth tax year following the tax year in which they were made. The maximum refund available will be the value of the excess contribution(s). A refund might be delayed if there is insufficient cash in your P1 Pension Account .
- 5.7 We can refund a contribution when we receive a valid request for a contribution which was:
- 5.7.1. paid in genuine error (as defined by HMRC) and was not intended to be paid
- 5.7.2. an employer contribution which should have ceased on the termination of employment and was paid in error
- 5.7.3. a member or third-party contribution where the member has insufficient earnings to attract tax relief on the contribution paid.
- 5.8 Where there is insufficient money in your P1 Pension Account to pay amounts due to us, HMRC or to pay Benefits or other payments due, we may require you to pay further funds into your P1 Pension Account bank account or dispose of assets to meet the amount due. We are entitled to direct that assets are disposed of within your P1 Pension Account as a portion of the largest holding sufficient to repay us, you or HMRC if the amount remains unpaid after 30 days. If you have taken Benefits or transferred out of the Scheme or there is insufficient money in your P1 Pension Account you remain liable for any losses or costs incurred by us.
- 5.9 Contributions paid by your employer are treated as being paid gross meaning there will be no further tax relief for us to claim. We will require your employer to provide additional information which indicates the payments they are committed to making on your behalf. Where payments are not received within the statutory timescale, we are obliged to notify the Pensions Regulator if it is deemed of material significance.
- 5.10 If we receive a Contribution payment and we are not provided sufficient information to identify that this is intended to be for your benefit, then this may be returned to the payer.
- 5.11 You should read the P1 Pension Account Key Features document for more information about how to make contributions, tax rules and eligibility restrictions including Lifetime Allowance, money purchase Annual Allowance and tapered Annual Allowance. We will not be responsible for ensuring that your contributions remain below the Annual Allowance, money purchase annual allowance and tapered Annual Allowance. We will not normally accept contributions which exceed your available Annual Allowance or (if applicable) money purchase Annual Allowance.
- 5.12 If you have incurred an Annual Allowance tax charge or money purchase Annual Allowance charge, you are responsible for paying them to HMRC. In the case of the Annual Allowance, you can also pay a share of the tax charge from your P1 Pension Account as long as the amount due to HMRC is at least £2,000. The maximum amount you can pay in this way must not exceed the encashment value of your P1 Pension Account after allowing for all fees, charges and other deductions. If you are a member of more than one pension scheme, the amount paid from your P1 Pension Account should not in any case be more than a share in accordance with HMRC's rules. To arrange the payment, you must tell us in writing that you wish to do so.
- 6 Pension input period**
- 6.1 Your pension input period is a period of time defined by HMRC to measure your contributions paid. Your first pension input period starts when we accept your first contribution and ends the following 5 April. Subsequent pension input periods will be aligned with the tax year.
- 6.2 The 'Annual Allowance' is defined by HMRC and limits the amount of tax relief available on pension savings in a pension input period. If the total of all pension savings made by you (or for you) exceed the annual allowance, you may be liable to a tax charge.
- 7 Transferring existing pensions to us**
- 7.1 We may, at our discretion, accept a request to transfer all or part of your pensions from other UK registered pension scheme into your P1 Pension Account . We will only accept a transfer from a pension with Safeguarded Rights (as defined in Section 48(8) of the Pension Schemes Act 2015), if a suitably qualified and authorised financial adviser has advised you that the transfer is suitable for your personal circumstances.
- 7.2 We may, at our discretion, accept transfers of benefits from other Authorised Schemes, subject to the Trust Deed. Benefits comprising uncrystallised (and crystallised benefits in due course) can be accepted and will all be separately identified within your P1 Pension Account .
- 7.3 It is your responsibility to ensure a transfer of pension benefits is in your best interests. You should consider taking advice from a suitably qualified financial adviser. We do not provide advice. Our acceptance of a transfer is in no way an endorsement of the suitability for you of the transfer.
- 7.4 We reserve the right to reasonably refuse or refund a transfer (whether in part or whole).
- 7.5 Where you request a cash transfer or in-specie transfer of approved investments from an existing pension you take responsibility for initiating all transfer instructions. The Administration Company does not accept responsibility for delays in receiving transfers.
- 7.6 We can decline a transfer of any of the investments to be transferred. This will be limited to investments we are unable to hold. We will inform you if this is the case.

- 7.7 You agree that we may obtain any information we believe is necessary from your previous pension scheme to comply with Applicable Law.

8. Right to cancel your product

- 8.1 You may change your mind and cancel your P1 Pension Account by emailing us at platform@p1-im.co.uk within 30 days from the date of opening the P1 Pension Account. If you cancel your P1 Pension Account within the Cooling off Period, you may not get back the full amount you invested. We will pay back your initial contribution made within this period, less any fall in value of investments you have made due to market movements and any Adviser Charges that have been paid to an Adviser Firm that you have appointed.
- 8.2 Where you have transferred into the P1 Pension Account from another Authorised Scheme, you may change your mind and cancel the transfer by emailing us at platform@p1-im.co.uk within 30 days from the date of requesting the transfer. If your Transferring Authorised Scheme has already released the transfer value, they may refuse to take your transfer back. You will need to choose an alternative Authorised Scheme to receive the transfer value. We'll pay back your transfer, less any fall in value of investments you have made due to market movements and any Adviser Charges that have been paid to an Adviser Firm that you have appointed.
- 8.3 These Terms and Conditions will apply until your membership of the Scheme ceases or your P1 Pension Account is closed. Termination of these Terms and Conditions shall not affect accrued rights, existing commitments or any contractual provision intended to survive termination. We reserve the right to close your P1 Pension Account if you have not made any contributions or a transfer of benefits from another Authorised Scheme, within six months of the date of your application.

9. Cash Management

- 9.1 The Custodian will hold contributions paid, and cash transfers made into your P1 Pension Account in a pooled client account in accordance with the Trust Deed and Applicable Law. Any Cash held by the Custodian will be held as client money and managed in accordance with the FCA Rules. Further details can be found in part 9 of Section A.

10. Your Assets

- 10.1 The Assets within your P1 Pension Account will be held in the name of the Nominee on behalf of the Custodian. The Trustee remains the beneficial owner.
- 10.2 P1 Pension Account permitted investment range is currently restricted to the cash and assets meeting the FCA's definition of "standard investments" all of which must be capable of being held by the Custodian and administered by us. Broadly speaking this means an asset has to be an FCA authorised or recognised collective investment scheme or a listed security and capable of being valued on a regular basis and sold within 30 days.
- 10.3 Any investment income, including interest, or capital gains from your investments will be held by the Custodian on your behalf and will form part of the assets and, therefore, value of your P1 Pension Account.
- 10.4 All investment instructions are made by you or, where applicable, AAC to Seccl Custody Limited and neither Seccl Custody Limited nor Digital Pension Trustee Limited shall be responsible for any investment decision.
- 10.5 The Administration Company has discretion to direct the Trustee to dispose of an Asset without consultation with you or your prior agreement when the following situation occurs:
- 10.5.1. the continued retention of an Asset would be unlawful
 - 10.5.2. the continued retention of the Asset would impose tax or other costs which your P1 Pension Account may not be able to meet
 - 10.5.3. the Asset needs to be disposed of to meet any tax liability or other liabilities or costs (including our own) (see section 5.8)
 - 10.5.4. where there are insufficient funds in your P1 Pension Account to pay amounts due to us, HMRC or to pay benefits or other payments due (see sections 5.8 and 10.5)
 - 10.5.5 to comply with a court order.

11. P1 Pension Account statements

- 11.1 We will provide you with a number of statements: an annual pensions statement, quarterly valuation statements and any other such statements required by Applicable Law, showing you a summary and valuation of all your P1 Pension Account Assets and every transaction executed for you in the previous reporting period. Your valuation statements will be made available for you to view in the secure online document store, and you agree that you will access the secure online document store from time to time in order to review your most recent valuation statement. You agree to tell us of any discrepancy or issues with these valuation statements in reasonable timeframe. In the absence of any such notification, we will be entitled to assume that the valuation is an accurate reflection of your P1 Pension Account.

12. Transfers out

- 12.1 We, on behalf of the Trustee, have discretion over whether to accept your request to transfer out the value of your P1 Pension Account to another Authorised Scheme.
- 12.2 We will not transfer out Benefits in accordance with these Terms and Conditions unless we are satisfied as to each of the following:
- 12.2.1. We have proper authority and approval to make the transfer out
 - 12.2.2. All outstanding fees, charges and liabilities have been settled
 - 12.2.3. Making the transfer out is not likely to prejudice any protected Benefits or be unlawful or be made to an unrecognised or unregistered pension scheme or be made to a scheme suspected of being involved in any kind of investment scam or pensions liberation.
- 12.3 We will not transfer out Benefits to Recognised Overseas Pension Schemes (ROPS).
- 12.4 In some circumstances, it may be necessary for us to delay a transfer out, particularly where we are unable to realise or re-register some of the assets, particularly assets that are not readily realisable. Such circumstances could lead to you having to defer transferring out or taking Benefits.
- 12.5 If we receive an income payment, a dividend or other cash amount relating to your P1 Pension Account, after you have transferred out from your P1 Pension Account, we will ensure that such payments will be sent onto the receiving Authorised Scheme in accordance with the strict requirements set out in Applicable Law.
- 12.6 In the limited circumstances permitted by Applicable Law, such as the winding up of the Scheme, we shall be entitled to transfer out the value of your P1 Pension Account without your consent or instructions.

13. P1 Pension Account charges

- 13.1 Charges apply to your P1 Pension Account in relation to your membership of the Scheme.

- 13.2 You authorise the deduction and retention of all charges, applicable tax and reasonable expenses from your P1 Pension Account bank account. All charges shown below are exclusive of Value Added Tax ("VAT") unless stated otherwise. You agree that charges can be rounded up to the nearest whole £1.
- 13.3 We will charge the following product charge, based on the value of your P1 Pension Account.
- 13.3.1. For the portion of your P1 Pension Account in 'accumulation' (i.e., from which no Benefits are being taken): £0
- 13.3.2. For the portion of your P1 Pension Account in drawdown (i.e., from which Benefits are being taken): £10 per calendar month
- 13.3.3. The above charges are for pensions administration, our custody charges are not included.
- 13.3.4. We will charge £15 per pension transfer out.
- 13.3.5. Other costs, including taxes, may arise for ad hoc requests or specific requirements not covered above, however we will let you know what these costs are before they are charged.
- 13.3.6. Fees are subject to VAT at the prevailing rate.
- 13.4 Where permitted by Applicable Law, we are entitled to recover costs not stipulated in but incurred by us in the administration of your P1 Pension Account. These costs include, but are not limited to, any losses, claims or liabilities involved with acquiring, valuing or disposing of any Assets; administration costs involved with complying with any court orders; disbursements or other charges or commissions levied by any investment or other professional advisers in line with the Terms and Conditions agreed with them; any tax charges, industry levies, duties or liabilities.
- 13.5 We will provide you with an annual illustration showing the effect of costs and charges on the return of your P1 Pension Account.
- 13.6 All charges, fees and expenses due are deducted from your P1 Pension Account Cash Account. Where there are insufficient funds within the P1 Pension Account Cash Account, we may require you to pay further funds into the P1 Pension Account Cash Account or dispose of assets to meet the amount due. We are entitled to direct the disposal of P1 Pension Account assets as a portion of the largest holding if the amount remains unpaid after 30 days.
- 13.7 Where amounts due to us remain outstanding for more than 30 days, we are entitled to add interest to the sum outstanding at a rate of 3% AER above the Bank of England's base rate.
- 13.8 We are entitled to increase charges each year with effect from 1st May in line with the increase in the Average Weekly Earnings Index plus 1% which is published by the Government Office of National Statistics for the twelve-month period ending 30th September of the preceding year. Where charges are increased in line with this clause no notice will be given.
- 13.9 We may facilitate through your P1 Pension Account the payment of any Adviser Charges which you have agreed with AAC to be paid in this way.
- 13.10 We also have the right to increase charges in certain circumstances, as outlined in Clause 18 below.

14. Closing your P1 Pension Account

- 14.1 If you decide to close your P1 Pension Account, you cannot automatically withdraw the value. The assets or cash held in your P1 Pension Account can only be transferred out to another Authorised Scheme or used to provide Benefits in accordance with these Terms and Conditions and the Trust Deed. See clause 19 for the conditions for receiving Benefits.
- 14.2 We may close your P1 Pension Account on giving you notification, if (i) we cease to act as Administration Company and a suitable replacement cannot be found, or (ii) it becomes impractical to continue to administer your P1 Pension Account in accordance with any Applicable Law.
- 14.3 If we close your P1 Pension Account on these grounds, we will give you at least 90 days' notice of the closure and will explain your options for transferring out to another Authorised Scheme.

15. Your personal information

- 15.1 We are the data controller for the personal information you give us. We will not pass your personal information to anyone, other than as detailed in our Privacy Policy (which can be found at www.seccl.tech). By accepting these Terms and Conditions, you agree and consent to our obtaining, using and storing your personal information as set out in our Privacy Policy.

- 17.3 We will endeavour to resolve any complaint as soon as possible.

- 17.6 The P1 Pension Account is covered by the FSCS. You may be entitled to compensation from the FSCS if we are no longer trading or are declared to be in default and cannot meet our obligations to you. This may apply separately to your P1 Pension Account, its assets and any cash held in your P1 Pension Account and the maximum amount of compensation available will depend upon the type of investment business, the FSCS compensation limits applying at the time of any failure and the circumstances of your individual claim. The current compensation limits are as follows:
- 17.6.1. For cash, such as the money in your P1 Pension Account Cash Account - £85,000 per eligible claimant, per bank
- 17.6.2. For assets, £85,000, per eligible claimant, per financial institution (where the relevant financial institution is also covered by the FSCS).
- 17.7 Our current banking partner is Lloyds Bank plc and we will inform you if this changes. For more information about how the FSCS might apply to you, please contact us or visit the FSCS website at fscs.org.uk. 18. Changing or ending these Terms

- 18.1 You agree to us transferring all or any of our rights and obligations under these Terms and Conditions to any one or more appropriate Seccl companies or any third parties which are appropriately regulated and authorised under Applicable Law. These obligations include the appointments of Seccl Custody Limited as the Administration Company and the appointment of Digital Pension Trustees Limited as the Trustee. If we do this, we will give you at least 90 days' advance written notice of the transfer. In each case, we shall cease to have any responsibilities to you or your P1 Pension Account from the time that the change takes effect to the extent that those obligations applied to our appointment. The new administration company, or trustee will take on our obligations to provide the services under these Terms and Conditions in our place. We will not transfer our rights and obligations unless we are satisfied that you will not be in a worse position or receive a poorer service.
- 18.2 We may make reasonable and appropriate changes to these Terms and Conditions at any time whilst your P1 Pension Account is open as follows:
- 18.2.1. to meet any current or future change in law, including rules established by the FCA, HMRC or The Pensions Regulator, or regulation, guidance or regulatory approach
- 18.2.2. to make these Terms and Conditions easier to understand, including to correct any inaccuracies, omissions, errors or ambiguities
- 18.2.3. to take account of any reorganisation of the Seccl companies, or a transfer of rights as outlined at 18.1 above
- 18.2.4. to reflect any improvements to the services which we offer under these Terms & Conditions, or changes to our systems, our processes and procedures, market practice or customer requirements
- 18.2.5. to reflect any changes to terms agreed between us and any third parties which are relevant to your P1 Pension Account
- 18.2.6. other than as described in 13.10 above, we may also make reasonable increases to our charges to reflect any changes to the costs that we incur
- 18.3 If we do make any changes to the Terms and Conditions, the latest version will always be available on our website at www.p1-im.co.uk and you should refer to them regularly. Where we reasonably consider that changes are material or detrimental to you we will give you a minimum of one month's notice of the proposed change and our reasons for making the change, unless we are required to make the change sooner (in which case we will give as much notice as we reasonably can).
- 18.4 Notwithstanding clause 18.3, changes that are necessary due to reasons outside of our control (e.g., a change in legislation/regulation/tax or interest rates or resulting from an act of a third party) may take effect on reasonable written notice and changes which are immaterial and not to your detriment may take effect immediately and without notice.
- 18.5 In either case, if you are not happy with any change we make or plan to make to the Terms and Conditions, you can transfer to an Authorised Scheme of your choosing. We will not charge you a fee for this if a fee ever becomes due.

19. P1 Pension Account Benefits

- 19.1 We only allow you to take benefits from your P1 Pension Account with the support and advice from an adviser firm. If you do not have this support, we will be unable to allow you to take benefits from your P1 Pension Account. You can of course transfer your P1 Pension Account to another Authorised Scheme and we will not charge you for this transfer.
- 19.2 If you are 50 or over, the Government has launched a free and impartial service to help you understand what your choices are and how they work, this can be accessed online, over the telephone by calling 0800 138 3944 or face to face - see www.moneyhelper.org.uk/en/pensionsand-retirement/pension-wise.
- 19.3 It is strongly recommended that prior to accessing your pension Benefits you seek advice from a suitably qualified financial adviser or obtain guidance from Pension Wise.
- 19.4 You can take benefits from the P1 Pension Account from the Normal Minimum Pension Age by instructing us online to commence drawdown pension (flexi-access drawdown) with all or part of your P1 Pension Account, or the balance after taking any PCLS.
- 19.5 You may be able to take Benefits early if
- 19.5.1. you have transitional rights to a protected pension age, and you satisfy the conditions in the Trust Deed. A protected pension age was generally available for people who paid into a pension before 6 April 2006 and had a right to take their pension benefits at an earlier age than the current rules allow
- 19.5.2. we are satisfied that you are, and will continue to be, incapable of carrying on your occupation because of physical or mental impairment (in this case you must provide medical evidence to show that you have become incapable of carrying on that occupation and will continue to be incapable of returning to it).
- 19.6 With the exception of your PCLS, payments made by us to you from your P1 Pension Account will be made net of tax under PAYE and can be paid at regular intervals. We will normally offer payment on a monthly, quarterly or annual basis. Payments are conditional on there

- being sufficient cleared funds available in your P1 Pension Account. We may request that your financial adviser dispose of assets within your P1 Pension Account on a proportional basis to ensure there are funds available if the amount remains unpaid after 30 days.
- 19.7 Payment to you by means of flexi-access drawdown ("FAD") can involve a payment of a tax-free "PCLS" with any income being taxable as income. FAD is an option to use your retirement fund to provide retirement income.
- 19.8 We will not pay benefits in accordance with these terms and conditions unless we are satisfied as to each of the following:
- 19.8.1. you have received financial advice;
 - 19.8.2. we have proper authority to pay the benefits;
 - 19.8.3. we are in receipt of all the necessary information required by regulations
 - 19.8.4. we have received all the fees due to us;
 - 19.8.5. all liabilities and costs have been satisfied by your P1 Pension Account ; and
 - 19.8.6. all outstanding transfers have been received by your P1 Pension Account.
- 19.9 Where you take benefits flexibly your Annual Allowance will reduce; for details of this and how it could impact your retirement savings plans please speak with AAC.
- 19.10 When you commence taking benefits from your P1 Pension Account , the value of the part of your P1 Pension Account being used for benefits must be tested against the Lifetime Allowance, as set by the Act. A test against the Lifetime Allowance will also be made in other circumstances set by the Act. If the Lifetime Allowance is exceeded, there is a tax charge. If you do not provide us with the information that we need to calculate your available lifetime allowance, we shall be entitled to assume that none is available, and we shall deduct tax accordingly. We will deduct the tax charge from your P1 Pension Account. You must provide us with the information necessary for us to calculate the tax charge. This information includes details of any protections from the Lifetime Allowance that you have. You are responsible for any further tax charges that may arise as a result of that information being incorrect or failing to be provided. If your personal lifetime allowance is exceeded the excess will be taxed at your marginal rate, which we will pay directly to HMRC.
- 19.11 In addition to Flexi-Access Drawdown you have the following further options from Normal Minimum Pension Age:
- Take an Uncrystallised Funds Pension Lump Sum (UFPLS). We do not offer UFPLS, in order to access benefits in this manner you will need to transfer your pension to another provider that does.
 - Purchase an annuity for life, we do not provide annuities so your choice of annuity must be selected from a UK Insurance company.

20. Death Benefits

- 20.1 On your death the payments we make, and how these are taxed, will depend on:
- 20.1.1. the Trust Deed;
 - 20.1.2. whether your P1 Pension Account had been crystallised before you died (i.e. whether you had taken any Benefits);
 - 20.1.3. your age at the time of death; and
 - 20.1.4. how we exercise our discretion.
- 20.2 Upon being notified of your death, in order to settle any death Benefits payable under your P1 Pension Account your beneficiaries or legal representatives should send a copy of your death certificate (either original or certified copy) to AAC who will forward it to us.
- 20.3 On receipt of your death certificate, we will restrict all investment and freeze the portfolio until an instruction is received from the appointed representatives.
- 20.4 We may, at our complete discretion, decide who should receive a lump sum death Benefit and if in what proportion. The list of your potential beneficiaries include any one or more of your beneficiaries, dependants, nominees or successors.
- 20.5 Where you have made a nomination, we will take your wishes into account but are not bound by them. This will include the ability to establish a new P1 Pension Account for a new Scheme member.
- 20.6 By exercising our discretion in favour of a dependant, nominee (such nominee must have been nominated by you), or other beneficiary, that dependant, nominee or beneficiary (as applicable) may choose for the Benefits to be paid in one or more of the following ways:
- 20.6.1. a lump sum death Benefit;
 - 20.6.2. income from income drawdown; or
 - 20.6.3. the purchase of an annuity.
- 20.7 We shall deduct any tax from the lump sum or income payments for which the Scheme may be liable. All nominees must be selected via our online process.
- 20.8 On your death the value of your P1 Pension Account can be used to provide a lump sum or an ongoing income or used to buy an annuity. If death occurs before your 75th birthday, then lump sum payments and income from your P1 Pension Account will generally not be subject to tax as long as it is possible to make a payment within the two years from the date we are notified of your death. If death occurs on or after your 75th birthday, then any lump sum payments are generally subject to tax.

2.1. We will:

- 2.1.1. invest the assets held in your Investment Account(s) in the Discretionary Model Portfolio(s) chosen by you in accordance with the Mandate for that Discretionary Model Portfolio; and/or
- 2.1.2. create and manage Bespoke Portfolios in accordance with any Mandate agreed with you by your Investment Manager,

These are the "P1 DFM Services".

2.2 We will provide the P1 DFM Services to you in accordance with the terms of this Section D until this Section D is terminated in accordance with Clause 12 below or the Platform Terms & Conditions as a whole are terminated under Clause 30 of Section A.

2.3 We will use the Platform to provide the P1 DFM Services to you.

2.4 Where you invest in a Discretionary Model Portfolio, we will not carry out an initial assessment, or any on-going assessments, into whether a particular Discretionary Model Portfolio is suitable for you. Your instruction to invest in a Model Portfolio will be treated as an Execution-only instruction. It is up to you to determine if the Mandate of a particular Model Portfolio is suitable for you and if you have any doubts or concerns you should seek advice from an appropriately authorised financial adviser.

2.5 Where you invest in a Bespoke Portfolio, your Investment Manager will carry out an initial and periodic suitability assessment with you in order to agree the Mandate for your Bespoke Portfolio with you, and ensure that Mandate remains suitable for you. In order to do that, your Investment Manager will require you to provide them with certain information. It is your responsibility to provide them with all of the information that they request and to ensure that such information is accurate and up to date..

2.6 We shall not be liable to you should a Discretionary Model Portfolio not to be suitable for your needs, in accordance with clause 2.4 of this Section D above. Our role, for which we are liable to you, is to manage the Assets within each Discretionary Model Portfolio in a manner consistent with the Mandate applicable to that Discretionary Model Portfolio and/or to establish a Mandate for Bespoke Portfolio which is suitable for you and then to manage the Assets within that Bespoke Portfolio in a manner consistent with the agreed Mandate of that Bespoke Portfolio.

2.7 Unless otherwise agreed, in writing., we will not provide you with any financial planning or tax advice. Where you invest in a Bespoke Portfolio, our role is limited to agreeing a Mandate with you which is suitable for the level of investment risk that you want to take and is consistent with your investment objectives. We will not, however, consider any wider aspect of your financial planning and/or how the Bespoke Portfolio interacts with your wider financial situation.

2.8 We shall have complete discretion in relation to the management of a Discretionary Model Portfolio or Bespoke Portfolio and may (without prior reference to you) change the asset allocation and/or selection of funds, securities and Assets within the Portfolio, provided that, following such changes, the assets held within the Portfolio continue to be consistent with the Mandate applicable to that Discretionary Model Portfolio or Bespoke Portfolio.

2.9 We will at all times manage each Portfolio in good faith and with reasonable skill and care, but we can give no guarantee to you as to the performance or profitability of your Investment Account(s) aligned to any Portfolio. **It is important that you understand that all investment involves risk. The value of investments, and the income from them, may fall as well as rise and is not guaranteed. You may not get back the original amount invested. 2.11 We carry out benchmarking of our Model Portfolios in accordance with Appendix 1 to this Section D. The purpose of this benchmark is to provide you with a reference point for the performance of the Portfolio. Your Portfolio will not necessarily be based upon the same Assets that make up the benchmark nor will your Portfolio necessarily follow the same asset allocation. This means that the contents and performance of your Portfolio may not mirror that of the benchmarks.

2.12 We will act as both the discretionary fund manager and the Platform Provider, and we shall assume the obligations of both the discretionary fund manager (as set out in this Section D) and the Platform Provider (as set out in Section A of this Platform Agreement).

3. Your Responsibilities as the Client

- 13.2 If, on termination, any money is or may become due as a result of a commitment entered into by us in the Portfolio, we may at our discretion sell such of your Assets as we may in our discretion select in order to realise funds sufficient to cover any outstanding amount. SCHEDULE 1 CUSTODY TERMS

1. BACKGROUND

- 1.1. Under the Terms, you consent to P1 Investment Services Limited (acting as agent on your behalf) appointing Seccl Custody Limited ("SCL") as your Custodian to provide:
 - the custody services more particularly described in this schedule
 - cash payment services, asset price and information data
 - client money and asset reconciliation in accordance with the Client Asset Sourcebook ("CASS") of the FCA Rules
- 1.2. SCL is authorised and regulated by the Financial Conduct Authority of 12 Endeavour Square, London, E20 1JN, registration number 793200, to arrange, safeguard and administer custody of cash and Assets.
- 1.3. SCL is registered in England, registration number 10430958. To contact SCL, write to 20 Manvers Street, Bath, BA1 1JW.
- 1.4. Terms not defined in these Custody Terms have the meaning set out in the Terms or the FCA Rules.

2. SYSTEM OPERATION - APPLYING AND TRANSACTING

- 2.1. The Custodian is authorised to ensure that the custody of your cash and Assets are managed compliantly in accordance with the applicable regulations.
- 2.2. Any deposits or withdrawals of cash or instructions to buy, sell or transfer investments, through the ISP, will be recorded and managed in accordance with CASS. SCL will ensure any investment instructions are placed in accordance with the Terms.
- 2.3. All client cash will be held with an approved Bank or CRD Credit Institution in a designated Client Money statutory trust account. The account is held separately from any monies held by either SCL or the ISP.
- 2.4. Client Assets will be registered to Digital Custody Nominees Limited ("**Nominee**") which is a wholly owned subsidiary company of SCL. This arrangement safeguards and segregates your Assets from those of SCL. SCL accepts the same level of responsibility under CASS to you for the Nominee.

4. SETTLEMENT

- 4.1. Settlement of Client Assets will accord with market best practice. Where Assets are traded in Exchange Traded Instruments ("**ETIs**"), SCL will normally operate on a delivery-versus payment ("**DVP**") settlement process.
